

### REMARKS

By this Supplemental Amendment, claims 24, 25 and 27 as presented in the October 31, 2006 Amendment After Final are amended. Claims 19, 21-23, 26, 28-32 and 34-37 as presented in the October 31, 2006 Amendment After Final remain in the application. Thus, claims 19, 21-32 and 34-37 are active in the application. Reexamination and reconsideration of the application are respectfully requested.

In the October 31, 2006 Amendment After Final, claim 19 was amended, in part, to include the limitations of claims 20 and 33, and claims 20 and 33 were cancelled.

Claims 24, 25 and 27 each depended from claim 20. However, the dependencies of claims 24, 25 and 27 were not amended in the October 31, 2006 Amendment After Final to reflect the cancellation of claim 20.

Accordingly, claims 24, 25 and 27 are each amended herein to depend from claim 19 instead of claim 20.

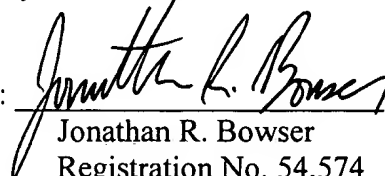

The Applicants respectfully submit that claims 19, 21-32 and 34-37 are clearly patentable for the reasons presented in the October 31, 2006 Amendment After Final, and that the application is clearly in condition for allowance.

If, after reviewing this Supplemental Amendment After Final and the October 31, 2006 Amendment After Final, the Examiner feels there are any issues remaining which must be resolved before the application can be passed to issue, the Examiner is respectfully requested to contact the undersigned by telephone in order to resolve such issues.

Respectfully submitted,

Hiroyuki YUYAMA et al.
